MARION, CRITTENDEN COUNTY, KENTUCKY, March, 26 1910

NUMBER 47

16,000,000 POUNDS OF LUMP SPAR

Gravel and Ground Fluor Spar Shipped in the Last Two Months-- Brought \$65,000.00.

CRITTENDEN COUNTY IS THE GREATEST FLUOR SPAR CENTER IN THE WORLD.

16,000,000 pounds of lump gravel and ground fluor spar has been shipped from Marion and Mexico, Ky., since the middle of January which has brought into this town over \$67,000.00, in the space of two months. The demand for fluor spar has greatly exceeded the supply and there is a splendid chance for investment with large returns for a good company to take hold of some of the properties and develop them. Most of the mining has been done by local capital and as the "Courier Journal" stated in an editorial not long ago, "Crittenden and Livingston counties have large bodies of fluor spar, lead and zinc ores but are handicapped by lack of capital. A number of capitalists have been in our midst lately and examined our properties and have been surprised at the extent of the deposits. The zinc at Joplin, Mo., will run from 5 to 6 per cent and the latter is a rarity while from the run of the mine at the "Old La Rue Mine" taking a carload as an average with no sorting of the ore it run 21 1-2 per cent to the ton and over four feet of the vein averaged over 41 per cent to the ton. This property is to be thoroughly equipped with a mill and machinery at once.

Mr. George Gramer representing some Vincennes, Ind., capitalists have secured control of the "Tabb Mine" and will put a large force of men to work at once. This is a fine property and we expect will be on the list of shippers before long.

On the same vein is the "Wheatcroft Mine" and is located adjoining the Blue Grass Fluor Spar Co. Mr. James Persons is cleaning out both shafts preparatory to working same. The east shaft has four feet of lump fluor spar heavily impregnated with lead and the lead pile will easily run 10 per cent. The west shaft next to the road, the vein here is nine feet wide of high grade white fluor spar.

Mr. H. O. Ratcliffe has installed machinery on the land adjoining the Great Northern Mining Co., and after sinking his shaft fifty feet crosscut the vein which was eight feet wide. They have started sinking for another level.

A new shaft has been sunk on the Miller Carbonate Mine and the bottom of the shaft is now all in carbonate. They have already got out several carloads and have commenced to haul here for shipment.

The Blue Grass Fluor Spar Co., is getting out 25 to 30 tons a day and the manager Capt. T. H. B. Haase has put enough teams on so that he is loading a car a day.

The Kentucky Fluor Spar Company at Mexico are loading five cars a day of lump and have been for the past month except when there was a scarcity of cars.

MARION IS A GREAT CHURCH TOWN.

Notwithstanding the fact that the mill of justice has been grinding since Monday, with Judge Jno F. Gordon in charge, there have been two great revival meetings in progress, one at the Christian church conducted by Rev. Hudspeth and one at the Methodist church conducted by our own pastor, Rev. J. B. Adams, with Bro. Bill Yates to lead the singing, both of which have been well attended and the good effects felt all over the town and community.

The fact that Marion has been so highly recognized as a Christian town, standing as a light on a hill, the capitol of a county, full of great, big hearted loving christian people, who have voted whiskey from her borders and who will never permit it to come back, is in a greater measure responsible for this extra edition. We are proud to honor such a people and as we were so crowded with work and for space in Thursdays paper, feel to want to give this four page extra today in recognition of the goodness of God in his high recognition of the people of Marion and Crittenden county.

All of the various congregations in Marion vie with each other in doing homage to the Master. When the Baptist held their great revival all the preaches in the town, with their congregation stood by Rev. M. E. Miller

their much loved pastor and just so they are now standing by the others. When Rev. Hudspeth was here and knowing that on a special occasion their small church would not accommodate the people, good Bro. Miller threw the doors of their beautiful church open to him, and the King of Glory smiled his recognition.

Why should we not as soon or rather, give to our readers and the world what our christian people are doing for the Master than many things that we do give.

Many people attending circuit court also attend the 2:30 service at the Methodist church, always leaving better prepared for Eternity.

Brother Bill Yates in charge of the singing aided by the orchestra and the forty to sixty splendid voices makes Marion a wonder for soul inspiring music. Bro. Yates is one of the most wonderful singers today in the world. When he sings his face lights up with the love of God and his clear rich voice simply holds his hearers spell bound. We have heard many noted men sing and many noted singers but he is the best of all of them. May God bless him and hold him the power for good he now is to the world.

COME OUT TO CHURCH.

Bombs Exploded in Hopkinsville

Hopkinsville, Ky., March 24-- One of the greatest sensations in the history of Christian county was exploded Thursday morning when indictments were returned against officials of mills and elevators of Hopkinsville.

The indictments are returned against J. B. Galbreath, secretary-treasurer and formerly president and general manager of the Acme Mills and Elevator company.

The charges against the gentlemen and the revelations have come like a thunderbolt out of a clear sky.

The Mill and the elevator were thought to be in a fine financial condition; in fact, they were supposed to be making money hand over fist, and the integrity of the management was considered beyond question. But complaint was made to the grand jury and an investigation revealed conditions that seemed to warrant indictments for obtaining money under false pretenses and for embezzlement.

Big Fire At Morganfield.

Our neighboring city, Morganfield suffered a fearful loss by fire Thursday night that was by far the most disastrous in the history of the great old town, the loss as yet has not been estimated. Every building burned was costly and beautiful. They are: New Baptist church and parsonage, Masonic Temple, Opera House, the pride of Western Kentucky, Young, Waller & Company Grocery, Mason Dyer & Co., one of the largest dry goods houses out side of a larger city, and the Green River Department Store, where the fire originated, the fine Old Bank of Union county, Morganfield Steam Laundry and five residences. The loss will probably reach a half million dollars with light insurance. The Masonic Temple was carrying but \$12,000 when they were entitled to several times that amount.

Night Rider Cases Now Being Tried.

The night rider cases were called Friday afternoon, both side announcing ready they went into trial with the commonwealth against Tom Jones. There are over eighty cases.

Messrs. L. H. James, A. C. Moore of Marion, Senator Utley of Eddyville and N. B. Gordon of Madisonville for the defense raised the question as to the eligibility of J. W. Lamb on account of not being a housekeeper who was one of the jury commissioners which question was sustained, whereupon the Judge disqualified both the grand and petit juries, appointing a new set of commissioners and by prompt action thought the new juries could be empaneled by Monday. Judge Gordon said this case was ready and he was going to try it. Another of the jury commissioners was considered ineligible on account of a suit pending.

Free Sample Aids Old Men

The sudden change from years of activity of both body and mind to the quiet of later years causes the human system to undergo many changes, chief of which is in the digestive organs.

It becomes harder and harder to get the bowels to move promptly and regularly and in consequence many elderly men suffer not only from the basic trouble, constipation, but from indigestion, headache, belching, sour stomach, drowsiness after eating and similar annoyances. It is first of all necessary to keep the bowels open and then to tone the digestive muscles so as to get them to again do their work naturally. A violent cathartic or purgative is not only unnecessary but harmful, and something mild will do the work just as well.

After you have got through experimenting with salts and pills and waters of various kinds, and have become convinced that they do only temporary good at best, then try Dr. Caldwell's Syrup Pepsin, a mild, gentle, pleasant-tasting laxative-tonic that is especially adapted to the requirements of old people, women and children, and yet is effective enough for anybody. Your druggist, who has handled it successfully for a quarter of a century, will sell you a bottle for fifty cents or one dollar, but if you want to make a test of it before spending any money send your name and address to Dr. Caldwell and he will gladly send you a sample bottle free of charge.

This remedy is rapidly displacing all other forms of medication for the cure of stomach, liver and bowel trouble, and families like Mr. O. F. Wisher's of Sycamore, Ill., and Mrs. Carrie Muller's of 325 N. Notre Dame street, South Bend, Ind., are now never without it in the house. They have tested it and know its great value to every member of the family.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family, and will send you a bottle of Syrup Pepsin absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. R. H. Caldwell, R. 500 Caldwell building, Monticello, Ill.

"Sure Cure"

"I would like to guide suffering women to a sure cure for female troubles," writes Mrs. R. E. Mercer, of Frozen Camp, W. Va. "I have found no medicine equal to Cardui. I had suffered for about four years. Would have headache for a week at a time, until I would be nearly crazy. I took Cardui and now I never have the headache any more."

Take **CARDUI**

The Woman's Tonic

The pains from which many women suffer every month are unnecessary. It's not safe to trust to strong drugs, right at the time of the pains. Better to take Cardui for a while, before and after, to strengthen the system and cure the cause. This is the sensible, the scientific, the right way. Try it.
